# Top 3 Social Media Mistakes Businesses

Make in 2025

# Skip videos

Videos catch eyes. Skip videos,  
and people don't see you.  
TikTok and YouTube Shorts get  
billions of views daily. Your  
brand needs video to grow.

1

# Fake or weak ← posts kill trust

People want real stories.  
Posting fake or low-quality stuff  
drives them away. Share honest  
stories that match your brand.  
That builds trust fast.

2

# → Ignore customer posts, lose proof

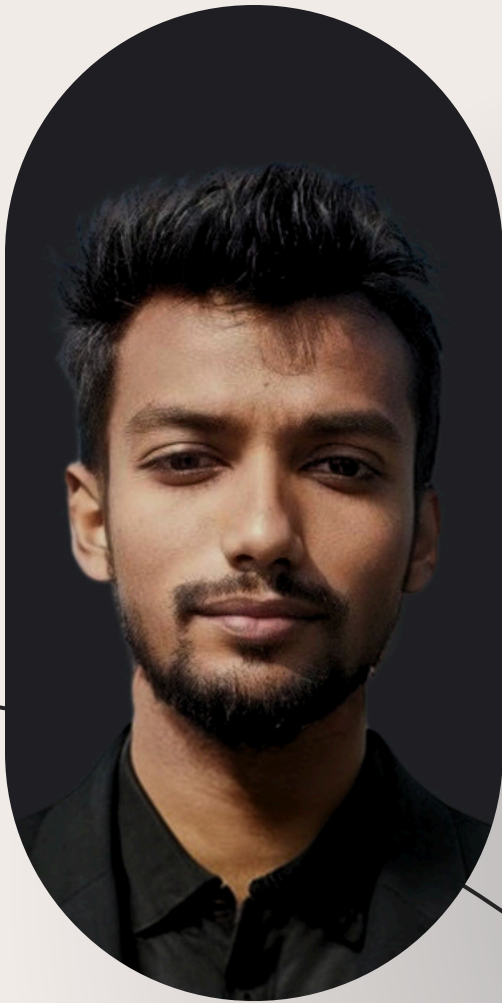

Your customers talk about you.  
Their posts show your brand  
works. Share their posts. It builds  
your brand and trust.

# 3

# Ready to Level Up

Want social media that grows your brand and builds real trust?

Start fixing these mistakes today.

Comment below with the mistake you want to crush first – I'll share quick tips. Plus, I'm offering a free 30-minute call to help you plan your next move.
